

## MEET THE MODERN SIDE OF THE FURNITURE GUILD

*Sleek, Stylish and Built to Last!*

Known for their traditional furniture, the Furniture Guild shows its contemporary side with the unveiling of their MODERN Bath Furniture Collection in high-gloss acrylic and textured surfaces. The same benchmade quality and custom options they are known for, but with a Euro-modern edge for those that are looking for minimalist styling.

Shown here are the new REVO and NUVO models of Bath Furniture. The NUVO is shown in high gloss red acrylic and Pallisand's texture with an uplift medicine cabinet. The REVO is a free standing design shown here in high gloss black acrylic. These new models are available in Red, Black, White, Ivory, Grey and Blue Acrylic and five Textured Laminates including Palliandro (grey), Carbone (espresso), Oregon Pine (off white), Noce Daniella (cinnamon) and Makassaro (Macassar ebony). These pieces have a contemporary look, but unlike big-box competitors they are built to last, using the best available materials for the heirloom quality that Furniture Guild Customers have come to expect. The collection is complete with a spectacular list of component options such as electrical power, internal lighting, and drawer dividers.
