# GLASSTEC PRICE LIST

973-785-4290 • 800-524-2578 • Fax 973-785-0777

# TERMS AND CONDITIONS

## **STANDARD PAYMENT TERMS:**

30 days net.

## **DEPOSIT REQUIREMENTS:**

A 50% deposit is required on all Solid Brass Enclosures. Balance is subject to standard payment terms & conditions.

## **PRICES:**

This price book includes suggested retail list prices and are effective as of May 15, 2011 All prices, discounts, quotations and specifications are subject to change without notice.

## **PAST DUE ACCOUNTS:**

Past due accounts will be placed on "hold". Orders in house will not be processed until the account is within terms.

## **SHIPMENTS/DELIVERIES:**

Customers not in Century's delivery region will be subject to minimal freight charges. Geographic areas outside of Century's delivery zones will be F.O.B. Woodland Park, NJ (or nearest Century Warehouse) and will be serviced by Common Carrier deliveries. Century will select carriers by their ability to provide quick delivery and handle our product properly with less risk of damage. Merchandise becomes the property of the purchaser who assumes full risk for loss or damage in transit once the merchandise is placed with the transportation company. We maintain the right to designate carriers, however purchaser may request his/her own carrier.

## **CANCELLATION / RETURN POLICY:**

Orders cancelled while in any stage of production shall be subject to appropriate cancellation charges or forfeiture of the deposit. Defective material only will be subject to return. Requests for a Return Goods Authorization (RGA) must be made within 60 days of the date of invoice. Items accepted for return must be properly packaged.

Glasstec/Brassline units are custom made and will not be eligible for return due to the individualized design of each enclosure.

## **WARRANTY:**

Century warrants our Glasstec enclosures to be free of defects in workmanship for a period of one (1) year. Liability on any claim of defective design and workmanship is limited to the replacement of defective material only. Century is not responsible for labor or other installation costs for the repair or replacement of defective merchandise.

Damage attributed to abuse; misuse, careless handling, alteration, improper installation or maintenance, abnormal chemical cleaning, abrasives, discoloration or stains due to improper water chemistry, or accidental damages are not covered by this warranty.

Limited Lifetime Warranty for Diamon Fusion treated glass for the lifetime of the glass as long as basic manufacturer maintenance recommendations are followed. Warranty does not cover damage attributed to abuse, careless handling, improper maintenance, harsh cleaners or chemicals containing ammonia or bleach. Company reserves the sole right of inspecting and determining warranty eligibility of merchandise. Warranty is limited to the exclusive option of the company to a full refund or expense of re-applying the Diamon Fusion and shall not be liable for the labor costs associated with replacement or remedy costs.

## AVAILABLE UPGRADES FOR GW MODELS

Finish options see page 29

Glass options see page 28

Accessory options see pages 29-30

Vents and Transoms see pages 26-27

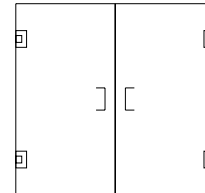

GW models with panels - Openings up to 48" do not require a header. Over 48", a header is recommended. Add to list price:

- Aluminum Header - \$10 per ft.
- Brass Header - \$80 per ft.

Standard units are made without a threshold. Depending on base condition, slope, and water contact with door, a full bottom track may be necessary to prevent leakage. You MUST specify if needed.

## AVAILABLE UPGRADES FOR GG MODELS

Finish options see page 29

Glass options see page 28

Accessory options see pages 29-30

Vents and Transoms see pages 26-27

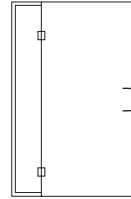

GG models - Openings up to 36" do not require a header. Over 36", a header is recommended or panels must run full height.

- Aluminum Header \$10 per ft / Brass Header \$80 per ft add to list price.
- 3/8" Clear Door
- 1/2" Clear Panels

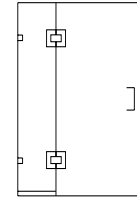

Standard units are made without a threshold. Depending on base condition, slope, and water contact with door, a full bottom track may be necessary to prevent leakage. You MUST specify if needed.

\* GeoGlass available on sliders and model 70 only.

A number of other glass options are available. Contact factory for prices.

**Formula for Square Feet:**  
**Door Width in inches x Door Height in inches ÷ 144 = Square Feet**

**Example:**  
**A door of 28" width and 80" height = 16 sf**  
**28 x 80 = 2240 ÷ 144 = 15.5555 (round up to even number)**

\* Slight variations in the glass may occur due to manufacturer's changes.

**DECORATIVE TOWEL BARS:** Please see product page for towel bar upgrades available on the model you are ordering

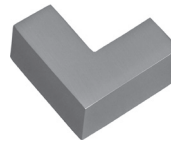

**DECORATIVE CLIPS:** Decorative clips are available for most models as an option to replace headers or wall channels. Corner clips are required for any return unit without a header.

**Stationary Clip:**

Designed to secure a fixed panel to a wall, sill, or ceiling. 3/16" clearance between glass and wall for silicone. 3/4" x 1 1/4" hole notch required. Available for 3/8" and 1/2" glass. Add \$110 per clip.

**Top 90 Degree Corner Clip:**

Mounts directly on top of panels to secure a 90 degree corner. Does not require glass fabrication holes. Available in 90 degree or mitered, 3/8" or 1/2" glass.

**90 degree Corner Clip:**

Designed to secure two panels to create a 90 degree corner. Two 5/8" diameter holes required. Available in 90 degree or mitered, 3/8" or 1/2" glass.

**90 degree glass edgework:**  
**add \$190 per clip.**  
**Mitered glass edgework:**  
**add \$190 per clip plus \$3.00 per inch**  
**which covers both sides of the miter.**

**90 degree glass edgework:**

Add \$80 per clip.  
 Mitered glass edgework: add \$80 per clip plus \$2.70 per inch which covers both sides of the miter.

**Top Neo Angle 135 Degree Clip:**

Mounts directly on top of panel to secure a 135 degree corner. Does not require glass fabrication hole. Available in 3/8" or 1/2" glass. Add \$95 per clip.

**Neo Angle 135 Degree Clip:**

Designed to secure panels to create a 135 degree corner. Not available for special angles. Two 5/8" diameter holes required. Available for 3/8" or 1/2" glass.

**Add \$190 per clip.**

**A REVOLUTIONARY TREATMENT FOR GLASS**

The optional Diamond – Fusion treatment helps protect the glass, from the build up of soap scum and hard water deposits and reduces the cleaning time by at least 50%. Diamond – Fusion, when added during manufacturing, uses a vapor mist to fill the natural microscopic peaks and valleys in the glass, with an ultra thin optically clear durable material making the surface easier to clean and more resistant to weathering caused by the build up of soap scum and hard water deposits. Simply wipe down with a washcloth or squeegee after showering and maintenance will never be easier and the beauty will show through no matter what the water conditions are.

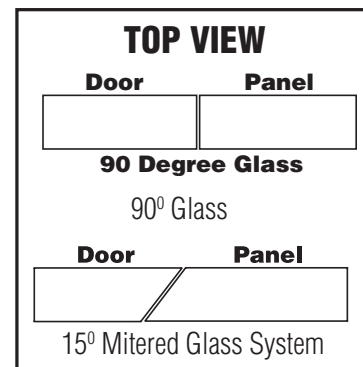

DIAMON-FUSION INTERNATIONAL  
*"Innovation That Ignites Business"*

| DIAMON FUSION PRICE LIST |            |
|--------------------------|------------|
| MODEL                    | PRICE LIST |
| 70                       | \$100      |
| 1627                     | \$175      |
| 1628                     | \$250      |
| 1631                     | \$325      |
| 1632                     | \$350      |
| EXTRA PANEL              | \$50       |

Mitered Glass provides a cleaner look, giving the appearance of one piece of glass. It is an upgrade available on some models as indicated on each product page. See pricing listed below.

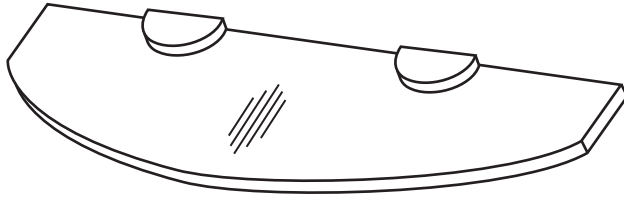

| MODEL NO. | ADD TO LIST |
|-----------|-------------|
| 70        | \$125       |
| 1627      | \$250       |
| 1628      | \$500       |
| 1631      | \$500       |
| 1632      | \$750       |
