Great Grates Care & Maintenance

Phone 503-864-9040

Stainless Steel

Regularly wash your stainless steel grate in hot soapy water, rinse with hot water and dry. Do not allow cleaners to remain in contact with your grate for long periods of time as this may induce spotting.

If stubborn stains occur rinse grate and apply stainless steel cleaner to the affected area. We recommend using a paper towel instead of cloth as this will absorb the cleaner. Rub in a circular motion until removed. Wash in hot soapy water, rinse and dry.

Warning: Do not use steel wool when cleaning your grate! Scratches are easily removed with a scotch brite pad.

Bronze Finish

Regularly wash your bronze finish grate in hot soapy water, rinse with hot water and dry. Do not allow cleaners to remain in contact with your grate for long periods of time as this may induce spotting.

If stubborn stains occur rinse grate and apply bartenders friend or copper glo with a damp rag. Wash in hot soapy water, rinse and dry.

Warning: Do not use abrasive cleaners these will scuff and/or scratch the finish. Do not use high alkaline cleaners these will wear the finish. Do not clean in dishwasher most dishwasher detergents have a high alkaline content.

White Finish

Regularly wash grate in hot soapy water, rinse with hot water and dry. Do not allow cleaners to remain in contact with your grate for long periods of time as this may induce spotting.

If the coating becomes scratched or marred Turtle wax makes compounds of various grits which work great at removing scuff and swirl marks. These can be purchased at most automotive stores.

Warning: Do not use abrasive cleaners or pads they will scratch the finish.

Warranty

Great Grates were developed to absorb the abuse so your sink won't have to! We guarantee all parts rubber feet and bumpers for one year from date of purchase. All grates are guaranteed to be delivered to you in the best possible condition. You have 15 days upon receipt of your grate to notify Elite Bath Inc. of any defects or workmanship issues for replacement. These defects or workmanship issues should not conflict with our disclaimer or be generated from use of product.

Disclaimer

Our grates are individually made and there may be some slight irregularities in design. There may be some abnormalities in finish, these are typical characteristics of products of this nature. Our grates are incredibly durable but, they can be scratched by heavy or sharp objects they are exposed to. They can be damaged by chemicals as described in our maintenance. Elite Bath Inc. accepts no responsibility for product damage through normal use or abuse.
